Unified Progress International Education Announce New Board Advisors

Felicia Mabuza-Suttle joins UPI Education Board of Advisors

(SCOTTSDALE, AZ) October 26, 2013 – The 501(c)3 nonprofit organization, [Unified Progress International Education \(UPI\)](#), consisting of a well rounded group of professionals who are dedicated to providing UPI's global educational Life Skills Solutions™ training program for schools and communities, announced today that Felicia Mabuza-Suttle will join UPI's Board of Advisors.

An international award-winning entrepreneur and best selling author, [Felicia Mabuza-Suttle](#) is known for her highly acclaimed motivational and speaking skills. She is President and co-owner of [Leadership Success International, LLC](#), which specializes in executive leadership training, employee motivation, team building and business communications consulting.

She is also the host of the talk show, [Conversations with Felicia](#), on [The Africa Channel](#) in the United States. Previously, Felicia was the talk show host for the popular *The Felicia Show*, which is aimed at getting black and white South Africans to debate about issues they cannot talk about during apartheid. *The Felicia Show* was described as "the pulse of the nation," and was featured on NBC, CBS, ABC, CNN, BBC, The New York Times, Atlanta Journal and Constitution, InStyle (SA), Ebony, Essence, Style magazines and many more international publications.

Named one of the Leading Women Entrepreneurs of the World by The Star Group in the United States, Felicia is excited to be giving back to students through UPI's Life Skills curriculum.

"I am pleased to become a non executive member of the UPI board of advisors," Felicia Mabuza-Suttle, President of Leadership Success International, said.

I see UPI's efforts extending even into my country, South Africa. During President Barack Obama's visit to South Africa, President Jacob Zuma mentioned that youth development was a key focus area for country, given that a third of the population is under the age of 15."

[Frank Crump](#), Founder and President of [UPI Education](#) said, "We are thrilled to have Felicia's leadership and strong communication skills on our board. Her presence adds to the overall conscious decision of strengthening our board."

###

About UPI Education:

UPI is a nonprofit, 501(c)3 organization dedicated in providing a global educational Life Skills Solutions™ training program for schools and communities. UPI partners with school districts, state juvenile agencies / services, youth organizations and foundations who are committed to improving academic and personal excellence in the lives of students/youth ages 9-22. UPI provides [results](#) with identifiable and measurable experiential training tools capable of preparing students for essential life skills while improving student and teacher relationships.

UPI is an acknowledged provider of a uniquely sophisticated “Common Core” Life Skills Solutions™ program, which helps students to better understand life and what society will expect and demand of them. Delivered as an “accredited” school course or as an “after-school” type program, UPI’s training and program methods have helped students to measurably perform better academically, socially, and emotionally.
